

## **Normal Fetal Ultrasound**

**6:26: Fetal Head Anatomy**

**3:57 Normal Fetal Facial Anatomy**

**5:21: Fetal Skeletal Anatomy**

**54 Sec: Fetal Lung Ultrasound**

**Twin Gestation: Normal and Abnormal**

**Derivation of Twins**

**2:55. Twin-To-Twin-Transfusion Syndrome**

**Fetal Doppler and Measurement of Cervical Length**

**2:19: Doppler: Umbilical Artery**

**1:24: Middle Cerebral Artery Doppler**

**8:02: Measurement of Cervical Length**

**Abnormalities of the Placenta**

**2:26: Placenta Accreta (Morbidly Adherent Placenta)**

**7.08: Vasa Previa**

**Ultrasound of Abruptio Placenta**

**Uterine Myomas and Endometrium: Normal and Abnormal**

## **Ultrasound of Uterine Myomas**

## **Measurement of the Endometrium, & Menstrual Cycle**

## **Endometrial Polyps, Submucosal Myomas, Hyperplasia, Adenocarcinoma**

## **Endometrial: Adhesions, Fluid, Trophoblastic Disease, IUDs**

## **Abnormalities of the Ovary and Adnexa**

### **Ovarian Cysts**

### **Hemorrhagic Cysts, Endometrioma, Dermoid Cysts, Myomas**

### **Polycystic Ovarian Disease, Ovarian Hyperstimulation, Adnexal Torsion**

### **Hydrosalpinx, Tubo-Ovarian Abscess, Peritoneal Inclusion Cysts**

## **Anterior Abdominal Wall Defects**

### **Gastroschisis**

### **Omphalocele**

### **Pentalogy of Cantrell**

## **Anterior Abdominal Wall Defects: Differential Diagnosis**

# **Central Nervous System Defects**

## **Fetal Encephalocele**

## Normal Videos: Fetal Anatomy

## **Videos: Twin Gestations Normal and Abnormal**

# Fetal Doppler Cervical Length

## Placental Abnormalities

# Uterine Myomas Endometrium

## **Abnormalities of the Ovary And the Adnexa**

**Anterior Abdominal Wall Defects**  
**Gastroschisis**  
**Omphalocele**  
**Pentalogy of Cantrell**

## Differential Diagnosis: Anterior Abdomen Defects

Omphalocele	Hernia sac at the umbilicus, covered with membrane, Ascites, Apical cord insertion; anomalies, abnormal karyotype	
Gastroschisis	Cord inserts normally, paraumbilical defect; Free floating bowel in AF; No ascites; bowel complications	

# Central Nervous System Defects

## **Meet the Editorial Board for Obimages.net**

Each topic on Obimages.net is peer-reviewed by one or more members of our Editorial Board.

### **Principal Authors, Reviewers, and Contributors to Website and CME Content:**

Emanuel P. Gaziano, M.D., Editor, Obimages.net; Board Certification, Obstetrics and Gynecology. Minnesota Perinatal Physicians (Maternal Fetal Medicine Service, Allina Health), Practicing Physician: 1986-2013, Medical Director, Maternal Fetal Medicine Service, Allina Health, 1989-2006; Professor, Department of Ob-Gyn, University of Minnesota, 1994-2013.

Jane K Burns, RDMS, MFM Ultrasound Manager/Women Services

Children's Hospital/Pavilion for Women, Houston, TX.

Krista Wald, AAS/BA, Former Staff Sonographer, Maternal Fetal Medicine Clinics, The Mother Baby Center, Allina Health and Children's Hospitals and Clinics, Minnesota.

## **Neonatal Medicine**

- Ellen Bendel-Stenzel, M.D., Board Certification: Pediatrics, Neonatology
- Bruce Ferrara, M.D., Board Certification: Pediatrics, Neonatology

## **Pediatric Cardiology**

- Christine Hills, M.D., Board Certification: Pediatrics and Pediatric Cardiology, Cardiovascular Unit, Minneapolis Children's Hospitals and Clinics, Minnesota.
- David B. Gremmels, M.D., Board Certification: Pediatrics and Pediatric Cardiology, Cardiovascular Unit, Minneapolis Children's Hospitals and Clinics, Minnesota.

## **Maternal Fetal Medicine**

- Subha Ladella, M.D., Board Certification, Maternal and Fetal Medicine, Associate Professor, University of California San Francisco (UCSF); Medical Director, Maternal Fetal Medicine, Community Regional Medical Center, Clovis, California.
- William Wagner, M.D., Maternal and Fetal Medicine, Former Medical Director, The Mother Baby Center, Allina Health and Children's Hospitals and Clinics, Minneapolis, Minnesota

## **Contributors to Website and CME Content: Registered Diagnostic Obstetrical Sonographers**

- Jill Beithon RT, RDMS, RDCS, RVT, Ultrasound Consultant, former Ultrasound Lead, Sanford Health System, Fargo, North Dakota.

- Nasrin Benion, RDMS, Supervisor, Maternal Fetal Center Imaging, Texas Children's Pavilion for Women, Houston, Texas.
- Dick Mabbs, RDMS, former Instructor, St. Catherine University, Ultrasound Program, High-risk Pregnancy Obstetrical Sonographer at the University of Minnesota Maternal-Fetal Medicine Clinic, Minnesota.
- Paula Wickham, RDMS, Head Sonographer, Maternal Fetal Medicine Clinics, The Mother Baby Center, Allina Health and Children's Hospitals and Clinics, Minnesota.

**Staff:**

In Memorium, Paul Marion Gaziano, MA, University of Chicago, Research Assistant, and Partner (1971-2019)

In Memorium, G. Eric Knox, M.D. Former Editorial Board Member
