

Terms of Use

Content on Obimages.net is provided for educational and informational purposes only, including all CME courses. It is not intended for self-diagnosis or self-treatment. It is not a substitute for independent professional medical care. We recommend consultation with your physician or health care provider regarding any diagnosis, imaging interpretation, or course of treatment. Medical practitioners must make their own independent assessment before suggesting a diagnosis or recommending or instituting a course of treatment. Obimages.net should not be viewed as a replacement for consultation with colleagues and/or other sources, nor as a substitute for conventional training and study.

The content may be changed without notice and is not guaranteed to be complete, correct, timely, current, or up-to-date. Similar to any printed materials, the content may become out-of-date.

We reserve the right to make alterations or deletions to the content at any time without notice.

We do not represent or otherwise warrant that our website will be error-free, free from viruses or other harmful components, or that we will correct any errors.

We may make changes to the features, functionality, or any content of the website at any time, including all CME courses. We reserve the right in our sole discretion to edit or remove any documents, information, or other content appearing on Obimages.net.
